## TWO STRONG TEAMS MEET AT BIG LEAGUE GROUNDS

By BRYAN MORSE.

But one battle is booked for the sandlot baseball fans in the District Baseball Association championship race today. At American League Park the Clarendon Athletic Club, which may also win the championship of northern Virginia, is scheduled to play the fast Naval Operations team. Jimmy Hughes and Billy Betts are down to do the umpiring.

Union League Park will be idle today. Tomorrow, however, the big league park will be full up with games. Army Medical, which has come to life with a vengeance lately, will play the Operations team, while Navy Yard will tackle Rex A. C. again. The Union League Park grounds will be idle again.

Sunday is the big day for the sandlot. At American League Park two service teams will be seen in action. Marines and War Risk will take the field in the first game and Clarendon and Army Medical the second, while Rex A. C. and Operations are playing at Union League Park.

Strengthened Lead. The U. S. Marines, after a tough uphill fight against the gifted Capital Publishers, strengthened their hold on the lead in section 1 by winning a 9-to-6 contest.

It was a real battle in every sense of the word. Frequent interchanges of pleasantries among Cabbub and Marine supporters lent zest to the afternoon's struggling. The Cabbubs, with Harry Serrin in the box, enjoyed a considerable lead for five innings. Loose playing by the Marines, with some lucky hits and daring steals by Cabbub players, netted the youngsters five runs over a stretch of the same number of innings.

Kids Fall in Planch. Youth failed to stand the gaff, however, and the Capital Publishing youngsters started an aviation section all their own after Serrin was yanked in the fourth. McGrath failed to locate the plate, and when Driver got better in the box for the Marines, failed to stem the tide of defeat.

The Marines played a different brand of ball from that of the day before. Their defense was wobbly, their attack spasmodic, and their attention indifferent.

When the test came, Clarke, Cobb, and Collier, aided by bases on balls and errors, got the old machine guns out and riddled Jim O'Dea's greenward with bullet-like drives for the necessary runs.

Medicos Score 'Em. Lieut. Wesley Cox, of Medicos, made good his assertion that he would have a real team on the field for the Navy Yard game. He did. Navy Yard had a real tough time of it.

"Handsome" Fitzgerald made his initial appearance behind the bat for the Navy Yard men and did well. Giovannetti played in center instead of behind the bat.

Neither Pat Dennean, pitcher, nor Tweedale, catcher, showed up for the Cabbubs yesterday. Dennean is said to be suffering from a lame arm. The Cabbubs were handicapped by the loss of these players.

Army Medical outbatted the Marines and got all the hits for extra bases. Clark and Howard cracking out three-sackers.

Younger and Phillips defeated Fowler and Irani in the doubles of the Mt. Pleasant tourney yesterday at the Racquet Club, 8-6 and 9-7.

They Win Doubles. Younger and Phillips defeated Fowler and Irani in the doubles of the Mt. Pleasant tourney yesterday at the Racquet Club, 8-6 and 9-7.

They Want \$1,000. BOSTON, Sept. 13.—A bill in equity returnable today in the superior court has been brought by the Montreal International League Club against the Red Sox. A demand is made for \$1,000 in payment for Paul Smith, released on March 4 by Montreal to the Red Sox. Smith is now in the army. The members of the National Commission have been named as trustees of a fund raised by the sale of world's series tickets and made respondents.

Will Meet Tonight. A meeting of the board of governors of the District Baseball Association at Spalding's store at 8 p. m.

## Penny Ante

LADIES' NIGHT

By Jean Knott

## EACH GETS \$1,108.45

BOSTON, Sept. 13.—Manager Ed Barrow and fourteen members of the Red Sox who actually performed in the world's series against the Chicago Cubs, have received \$1,108.45 each, with varying smaller amounts going to others. Fred Thomas, who obtained a furlough from the Great Lakes naval training station to play third base in the big games, received \$750.

The club as a whole drew \$20,837.45 as its share of the diamond classic receipts.

## SURPASSES CUBS

The Cleveland Indians, who finished second to the Red Sox, though failing to play out the string by meeting the St. Louis Browns on Labor Day, are to divide \$15,469.91, which is more than the Cubs receive for playing in the world's series. The Cubs' share of the big pot is but \$15,435.15, and, with twenty-three players to be satisfied, the defeated players will each get \$671.09.

## HAVE GOOD HURLERS

The Great Lakes Naval Training Station is well supplied with hurlers for the national championship meet. Among the cracks are A. T. Brush, formerly of the University of Illinois; Dean Leffler, of St. Louis; A. Starr, former star of Cornell; and F. Flood, of the University of Chicago.

## THEY WANT \$1,000

BOSTON, Sept. 13.—A bill in equity returnable today in the superior court has been brought by the Montreal International League Club against the Red Sox. A demand is made for \$1,000 in payment for Paul Smith, released on March 4 by Montreal to the Red Sox. Smith is now in the army. The members of the National Commission have been named as trustees of a fund raised by the sale of world's series tickets and made respondents.

## WILL MEET TONIGHT

A meeting of the board of governors of the District Baseball Association at Spalding's store at 8 p. m.

## WILL PAY FOR SIX

CHICAGO, Sept. 13.—Warren Wright, one of the mainstays in the White Sox pitching department when they defeated the Giants in the big series last year, has returned to Detroit ready to work for Uncle Sam.

Cicotte has offered his services to the Y. M. C. A. without pay in an athletic capacity, but his offer has not as yet been accepted.

## GRIFTS GET MONEY

The members of the Washington club are to split a pot totaling \$9,281.95. They are entitled to this fat prize for finishing in third place during the campaign ending Labor Day.

## GILFILLAN IS THERE

One of the stars of the Great Lakes naval team who is expected to score a number of points is Earl Gilfillan, the former University of Notre Dame all-around athlete. Gilfillan will probably compete in the discus event, high jump and hurdles.

Gilfillan won the discus event and shot put at the Conference championships this year. His winning throw in the championship meet measured 135 feet 6 1/2 inches. He expects to establish a new record.

## HARRIS AN ENSIGN

Harry Harris, former Business High School star athlete, who went to Dean Academy later and then played for Dartmouth and the freshman eleven, is an ensign at Pensacola, Fla.

## TECH REPORTS TODAY

ATLANTA, Sept. 13.—The candidates for the "Golden Tornado" football team are summoned by Coach John Heisman to report for the initial practice today.

"I would have started the boys out sooner," said the great coach, "but we have an agreement with the University of Pennsylvania this year that neither team is to begin practice before September 10."

Tech's prospects for a winning team are, of course, very much up in the air just now, this being the condition of all the colleges. No one knows just what demands the Government will make on the colleges and just how much time will be allowed the boys for football practice. Military training will be the rule in the college this year, and the drills may interfere in some degree with football preparations.

However, the indications are that Tech will play out her regular schedule. Dr. Crenshaw has written all the colleges on the Tech schedule this year and they have all replied that they know of nothing to interfere with the games.

Tech's biggest game of the year will be in November with Pennsylvania. Tech will invade the North for this battle and play it in Philadelphia. Tech's three big Southern games will be with Davidson and Auburn in Atlanta and Vanderbilt in Nashville.

## STAMPS AS PRIZES

Government department clerks are speculating on the winners of the War Savings Stamps to be given as prizes tomorrow in the big field and track meet at the Central High School stadium under the auspices of the Government Recreation League.

Prizes for the events will be \$5, \$3, and \$2 for the major events, and \$3, \$2 and \$1 for the others. The program follows:

For men—440-yard dash, fat men's race (over 200 pounds); 50 yards, standing broad jump, 100-yard dash, shot-put, 50-yard race for men over forty-five; 880-yard run, running broad jump, potato race, and relay.

For girls sixteen years of age and under—50-yard dash, standing broad jump, standing high jump, three-legged race; 50-yard dash for single women, seventeen years of age and over; track race, 50-yard run; obstacle race, and relay. There will also be a ball toss for boys sixteen years and under.

The executive committee is composed of Robert D. Burbank, chairman; Miss Maude Miles, C. A. Metzler, Samuel Peck, S. W. Lacy, Louis I. Doyle, and Miss Marjorie Day. The meet starts promptly at 2:15 o'clock. C. A. Metzler will be in charge of the officials.
